

Technical drawing of a staircase showing dimensions and components. The drawing includes the following labels and dimensions:

- Top Dimension:** 39 5/8" (965.5mm)
- Right Dimension:** 32 1/2" (825.5mm)
- Bottom Dimension:** 1006.5mm
- Staircase Components:**
 - Stringer:** The side rail of the staircase.
 - Treads:** The horizontal steps.
 - Risers:** The vertical steps.
 - Handrail:** The rail supported by the stringer.
 - Support Posts:** Vertical posts supporting the handrail.
 - Base Plate:** The plate at the bottom of the stringer.
 - Brackets:** The brackets supporting the stringer.

Technical drawing of a rectangular plate with dimensions and hole patterns. The overall dimensions are 45" (1143mm) by 8 1/2" (215.9mm). The plate features a series of holes along its length, with a 1 7/8" (47.6mm) offset from the top edge. The hole pattern is defined by a 1" (25.4mm) offset from the bottom edge and a 1/2" (12.7mm) offset from the right edge. The hole spacing is 5" (127mm) between centers. The hole diameter is 3/4" (19.1mm). The hole pattern is also defined by a 5/8" (15.9mm) offset from the bottom edge and a 10" (254mm) offset from the right edge. The hole pattern is also defined by a 5" (127mm) offset from the bottom edge and a 15" (381mm) offset from the right edge. The hole pattern is also defined by a 5" (127mm) offset from the bottom edge and a 15" (381mm) offset from the right edge. The hole pattern is also defined by a 5" (127mm) offset from the bottom edge and a 15" (381mm) offset from the right edge.
